EDUCATION

NORTH SOUTH UNIVERSITY
Bachelor of Architecture (B.Arch)
Graduated, Jan 2021

SKILLS

Tools

Construction Documents • BOQ
Preparation • **AutoCAD** • **SketchUp** • 3ds
Max • **Revit** • **Rhino** •

Soft Skills

Communication • Teamwork •
Independent Work • Proficient in diverse
digital design software • Preparation of
preliminary and detailed architectural
drawings •

VOLUNTEER

Safe Bangladesh & Ar. Fawaz Rob
Designer and builder | January 2019
- Designed and had hands-on experience in
building a small toilet from scratch using
sustainable local materials.

CAREER OBJECTIVE

Highly motivated Architect with a demonstrated ability to translate design concepts into detailed construction documents and 3D visualizations, seeking to leverage expertise in AutoCAD, SketchUp, and Revit at Shibori Ltd. to contribute to innovative and sustainable design solutions.

EXPERIENCE

ARCHITECT AutoCAD | SketchUP | Revit
RSB Properties Ltd. - Oct 2022 - Jul 2023

Prepared preliminary and detailed architectural drawings, Created computer-generated 3D models and rendering, Monitored project progress and reporting errors

- Preparation of preliminary and detailed architectural drawings
- Creating computer-generated 3D models and rendering
- Monitoring project progress and reporting errors

**TECHNICAL TRAINEE ON REASONABLE
ACCOMMODATION AND ACCESSIBILITY** AutoCAD |
SketchUP | Revit

Humanity & Inclusion (HI), Centre for the Rehabilitation of the
Paralysed (CRP) - Jan 2022 - Jul 2022

Prepared technical and detailed drawings, Prepared 3D models for necessary representation and implementation, Prepared graphical presentation for technical validation

- Prepared technical and detailed drawings
- Prepared 3D models for necessary representation and implementation
- Prepared graphical presentation for technical validation

PROJECT ARCHITECT AutoCAD | SketchUP | Revit
Integrated Design (Project: Visualization of BSRM Tunnel Service
Area) - Sep 2021 - Dec 2021

Prepared 3D model of architecture and landscape of the project, Prepared 2D renders and 3D animations

- Prepared 3D model of architecture and landscape of the project
- Prepared 2D renders and 3D animations

ARCHITECTURAL INTERN AutoCAD | SketchUP | Revit
Tania Karim, Nurur Rahman Khan and Associates (TKNRK) - Jun 2019 -
Sep 2019

Prepared working drawings for residential, commercial and interior projects, Arranged RAJUK sheets and layouts, Composed construction documents and BOQs, Prepared 3D models and renderings for visual representation

- Prepared working drawings for residential, commercial and interior projects
- Arranged RAJUK sheets and layouts
- Composed construction documents and BOQs
- Prepared 3D models and renderings for visual representation

JUNIOR DESIGNER AutoCAD | SketchUP | Revit
Simple Interiors - Apr 2017 - Dec 2017

Prepared 3D models and renders, Took measurements on-site for technical drawings, Prepared detailed drawings for interior projects

- Prepared 3D models and renders
